PROVIDING INTERNET LIBRARY SERVICE TO THE WORLD

About World e-book Library

WEL is the **World's largest collection of Primary Source eBooks** for academic libraries. It is designed to support academic research at all levels and subject areas by providing over **3,000,000** unabridged eBooks originally scanned from the shelves of the **top 50 University Libraries** in the world. It is the first and only one to offer **Digitally Re-Mastered Editions** of the most influential books ever printed from the **10th until the 20th centuries**.

Contents

Since its introduction in 1997, World eBook Library has aggregated and digitally re-mastered some of the best-scanned research eBook titles published by American and British universities. The list of academic presses includes Harvard University, Massachusetts Institute of Technology, Stanford University, Oxford University, Cambridge University, Princeton University, Johns Hopkins University and many other University presses. Additionally, it boasts digitized eBook titles from 42 European National Libraries.

Harvard University

**Massachusetts
Institute of
Technology**

Stanford University

Oxford University

Cambridge University

Princeton University

Johns Hopkins University

WEL has 100% of these University publications and holdings.
